INDACO STYLING SYSTEM

PURE PROTECTION WITH ORGANIC EXTRACTS

Creating, shaping, defining and illuminating with a guaranteed technically perfect result while preserving hair's natural beauty. A range of professional products for styling, finishing and much more, to produce endless creative looks, while adding hydration, shine and elasticity to hair with multi-protective formulas with organic extracts.

INDACO HAS BEEN BOOSTED BY NEW FORMULAS TO ENHANCE THE RANGE.

INDACO_TECH FRIZZ CONTROL

The new progressive anti-frizz smoothing spray with powerful heat protection and anti-breakage action.

ZERO WATER TECHNOLOGY:

The heart of the progressive anti-frizz fluid is its new and innovative technology which is activated during the drying phase: when there is no water - ZERO WATER - the technology creates a wrap-around, sealing film for long-lasting, smoothing, frizz control.

SPRAY WAX

Ultra-fine light Spray Wax, it gives definition and shine. Controls frizz and static electricity. Easy to apply, non-greasy and non-sticky. Perfect for well-defined look without stiffening hair.

MATT TEXTURE SPRAY

Texturizing Spray, gives long-lasting volume and thickness, with a matt effect. Perfect for unkept look.

HAIR DEFENCE SPRAY

Dry Spray with active heat protection. Ideal for re-styling, it allows to avoid wetting the hair before using flat irons or curling irons.

INDACO ORGANIC SOUL

The active ingredients: Sweet-scented Verbena, Elder, Willow, Red grapevine and Great mullein, all grown strictly organically in the Mediterranean, combined with a natural active ingredient derived from rice and corn.

The valuable active ingredients provide the hair fibre with hydration, elasticity and shine, as well as protection against heat during styling and anti-ageing action.

They help hair colour last longer and provide protection against UV rays.

A BLEND OF EXCLUSIVE ACTIVE INGREDIENTS TO PRESERVE THE HAIR'S NATURAL BEAUTY
